Mr. S. Krishnaswami Iyengar opposed the motion. Mr. Sankaranarayana Rao also opposed the proposition and said that it would not be fair to appoint a Committee to investigate the whole Ordinances as proposed and that such action would also be likely to be misconstrued as a reflection cast on the framers of the Ordinances.

Mr. J. S. Chakravarti said that the proposition did not deserve to be thrown out with such violence as was suggested and that the only point for consideration was whether any useful purpose would be served by revising the Ordinances wholesale.

Mr. Karpur Shrinivasrav replied in support of his proposition and added that he did not move it with a view to casting reflection on the framers of the Ordinances.

Votes were then taken; 3 were for the proposition, the majority being against it.—Lost.

7. (ii) That in Ordinance No. 5 the word "twice" be substituted for the word "once" and the words 'October or November and' be added after the word "and."

Mr. Karpur Shrinivasrav moved the proposition, and Mr. Puttanna Chetty seconded it, and stated that in the earlier stage of the working of the University the Senate should meet often.

The Vice-Chancellor explained that Ordinances 5 and 6 provided for as many meetings as might be necessary.

Mr. Chakravarti also pointed out that any six Fellows might call for a meeting and added that the Vice-Chancellor had also power to do so, and that though he was not against the proposition he did not consider that an obligatory provision in that respect was necessary.

The proposition was then put to the vote; 22 voted for and one against.—Carried.

The Meeting dissolved at 5-30 P.M.

H. V. NANJUNDAYYA,
Vice-Chancellor and Chairman.
